## **BOARD RESETS PERMIT FEES**

At their September 9, 2022 Board meeting, the Nebraska State Board of Public Accountancy (Board), approved a recommendation from the Board's Executive Committee that permit & registration fees be returned to 2014 levels. The Executive Committee, based on information provided by staff including projections regarding current revenues and projected expenses, determined it was time to recommend fees return to 2014 levels. Areas of focus include future expenditures for the recent engagement of a new database provider and the need to fairly compensate and retain current staff. The Board, per regulations within NAC Title 288/ Chapter 4 sets permit & registration fees annually. Additionally, at their November 10, 2022 meeting the Board clarified the returned fees would begin January 1, 2023.

Executive Director Dan Sweetwood commented, *"The ability for the Board to operate for nearly 10 years on a fee structure based on lowered fees from 2014 levels demonstrates the fiscally conservative nature of the current and past Boards. Spending has remained relatively flat, if not decreasing at times, over the years but projections revealed it was time to return to 2014 fee levels."*
