State Accountancy Board Disciplines CPA

The Nebraska State Board of Public Accountancy at their July 8th, 2022 meeting entered into a Consent Order with **Ms. Joyce E. Borchert, CPA, Alliance, NE**. The Order stipulates Ms. Borchert violated areas of the Nebraska Rules of Professional Conduct by her failure to properly file tax returns, properly communicate with a client, failure to keep her CPA firm properly registered, and her failure to communicate with State Board staff.

The Board ordered her permit to practice be suspended for one year but held in abeyance with successful completion of a three-year probationary period. She also must complete and file her client's tax returns, successfully register her CPA firm, pay the Board's attorney fees in this matter, pay a \$1500 fine, and communicate with Board staff and comply with Board requirements in the future.

The Nebraska State Board of Public Accountancy administers public accountancy law in Nebraska. Six of the eight Board Members are certified public accountants with active permits to practice and two are members of the public. Information about licensed CPA's can be obtained by calling the Board office at (402) 471-3595.
