Update: State Board Licensing Renewals

Board staff continues to review operations under the COVID-19 virus outbreak. As of today, staff does not foresee a significant disruption in the renewal license process after discussion with our online provider Nebraska Interactive. In recent years, over 90% of licensees have completed their renewals utilizing the Board's online portals. We continue to receive very positive feedback from those that have completed their renewal on the portals. **We anticipate opening the online portals as before on May 1, 2020. You will receive emails and a postcard reminding those that need to renew their permit or registration in 2020.**

We will strongly encourage permit holders and registrants to renew online this year. For those that will utilize paper applications, there could be possible delays in processing those applications in this current environment.

Anyone that anticipates difficulty in renewing their permit and/or registration during the COVID-19 outbreak, please reach out to our office at (402) 471-3595 or at Dan.Sweetwood@Nebraska.gov.

Additionally, the Board office is open and available for your questions and/or concerns. Do not hesitate to telephone the office or send us an email with questions as indicated below:

Kristen.Vanwinkle@Nebraska.gov/ Questions on the CPA Examination or Licensing

Heather.Myers@Nebraska.gov/ Questions on CPE or Peer Review

Dan.Sweetwood@Nebraska.gov/ Questions on Enforcement or the overall administration of the Board

As indicated before, we are under our contingency plan and there is a possible short delay in responding to your telephone calls and/or emails. Further licensing information can be reviewed by going to www.nbpa.ne.gov the Board's website.
