Board Online Portals set to Open

The Nebraska State Board of Public Accountancy is ready to open its online licensing portals for biennial licensing renewals for registrants and permit holders along with annual firm permit renewals.

According to Executive Director Dan Sweetwood *“The permit and registration renewal process is very important to the Board and allows for updating personal and firm information including addresses, employment, office locations, and other information. The goal of the online portals is to provide convenience and a relatively short time frame to renew a registration or a permit to practice. It also streamlines the ability of Board staff to process the renewals with less paper and checks to process. Although, paper applications can still be submitted, permit holders are encouraged to submit renewals online”*

To access the online portals go to the Board’s website at www.nbpa.nebraska.gov. If you have any questions regarding submitting your renewal documents, please contact the Board office at (402) 471-3595 or at Kristen.VanWinkle@Nebraska.gov or Heather.Myers@Nebraska.gov.

The Nebraska State Board of Public Accountancy administers public accountancy law in Nebraska. Six of the eight Board Members are certified public accountants with active permits to practice and two are members of the public. Information about licensed CPA’s can be obtained by calling the Board office at (402) 471-3595.
