

Board Launches New Website

(5-1-18) The Nebraska State Board of Public Accountancy is pleased to announce the release of a new website. Working closely with Nebraska Interactive, the goal of the project was to modernize the site by making it assessable to smart phones and creating an easier environment to navigate and find important information for the public, prospective examination candidates, CPAs, and other registrants.

“My hats off to the team that built our new website! This includes our partners from Nebraska Interactive, including Mr. Wes Fairhead and Ms. Natalie Erb along with Board staff members Ms. Heather Myers and Ms. Kristen VanWinkle. Board members also provided direct input” according to Executive Director Dan Sweetwood.

We welcome any comments you have regarding the site that can be directed to the Board office at (402) 471-3595 or by email to Heather.Myers@Nebraska.gov.
