

Disclosure Statement for Separation of Services Provided By a CPA Firm and the Affiliate or Subsidiary

This written disclosure form is required by the Nebraska Board of Public Accountancy for use by a non-CPA entity offering services under a similar name or contact information with a duly licensed CPA firm; certified public accountants (CPAs); or public accountants (PAs) who are in common ownership or affiliation. The purpose is to protect the public by informing the public that the services they may receive are not provided by a licensed CPA firm regulated by the Nebraska Board of Public Accountancy, under the authority of the Nebraska Public Accountancy Act and Title 288 Revised Rules and Regulations. There may be overlapping services with the CPA firm, therefore, if you are uncertain which entity is providing any of the services, you should ask for clarification from the individual providing such service.
