Concise Explanatory Statement

Nebraska Board of Public Accountancy- Rules and Regulations /Title 288, Chapter 11 - Public Accounting Partnerships and Professional Corporations

Concise Explanatory Statement

The Nebraska Board of Public Accountancy is amending existing regulations to the above referenced regulations as provided by law, and hereby submits this concise explanatory statement to accompany the regulation and describe its reasons and the changes made during the rulemaking process.

Reasons for rulemaking process and changes made:

Based on review of a Certified Public Accounting firm application submitted by Deloitte Tax, LLP, the Board's Licensing Committee began a review of current Board Rules & Regulations regarding allowing another entity (non-natural person) to own part of the firm. The Committee conducted research including a request of the State Attorney General's office for an opinion. The Attorney General's office referred to an earlier opinion to the Board and "...affirmed the conclusion that only natural persons are considered to actively participate in a firm according to the Board's own regulations, and therefore, a professional corporation or other nonnatural person could not qualify as a non-CPA owner of firm under Neb. Rev. Stat. SS 1-162.01. After further review of the statute, regulations and legislative history, we find no reason to change our previous opinion..."

The Committee concluded after further consideration of allowing non-natural persons to own part of Certified Public Accounting firms, to pursue amending regulations within Chapter 11, Title 288, to clearly define ownership provisions for natural and non-natural persons.

The Committee also noted the discrepancy between the Public Accountancy Act (PAA) 1-162.01 (2) "... more than *forty-nine percent* of such firms equity capital or voting rights or receive... more than *forty nine percent* of such firms profit or losses.", and Title 288 Rules Chapter 11 004.03 "Limitations; Equity Ownership. ...more than *thirty-three percent* of such business entity's equity capital or voting rights, or (b) receive ...more than *thirty-three percent* of such business entities profits or losses." The Rule change aligns the language in the Rule to be consistent with the language in the PAA of forty – nine percent equity ownership.

On January 6, 2006 the Board approved the Licensing Committee recommendation to amend the Chapter 11, Title 288, Rules to clearly allow for non-natural person ownership of Certified Public Accounting firms, and to make the Title 288 Rules and the PAA consistent regarding CPA firm equity ownership percentages, and to hold a public hearing regarding the proposed amendments.

On March 16, 2006 the Board held a public hearing in the Board office to receive comment on the proposed rule changes. Those attending included Mr. William Ezzel, Government Relations, Deloitte USA and Mr. Dan Vodvarka, President, Nebraska Society of CPA's. One written comment was received into the record. The Board approved the rules as written to be submitted to the Attorney General's office and the Governor's office for review and approval.

On April 20th, 2006 the Board office received a letter from Asst. Attorney General Lynn Melson indicating the Board did not meet obligations under new legislation passed last year within LB373 and would need to provide additional information to the Governor's office and the Executive Board of the Legislature before the public hearing. The Board agreed to hold the public hearing at their regularly scheduled meeting set for July 19th, 2006.
